

To Declare a CFAES Major:

Please Schedule an Appointment with a CFAES Academic Counselor:

students.cfaes.ohio-state.edu/advisingappointments

The counselor will carefully review your completed courses and remaining requirements, and provide guidance on scheduling.

Current students interested in switching to a major outside of CFAES should meet with an advisor for the new major.

To Declare a Minor:

Contact a CFAES Academic Counselor or email [**cfaes-academics@osu.edu**](mailto:cfaes-academics@osu.edu) with your intent to add or change your minor. An appointment with a CFAES Academic Counselor to go over requirements may also be helpful:

students.cfaes.ohio-state.edu/advisingappointments

CFAES can declare a minor for current CFAES students, even if it is not a minor offered by CFAES.
