<i>Course</i>	<b>Credit Hours</b>	<b>Anticipated Enrollment Semester</b>
FAES 1100H & DEPT 1100	0.5, 0.5	
Honors Research Workshop	0	Must be completed prior to starting research project
4999H (over 2 semesters)	6	

Honors Courses			
<p>List all honors and honors embedded (maximum of two) courses planned and term and year of expected enrollment. Two courses must originate outside of CFAES. Courses must be completed within first three years of undergraduate study. Potential Honors courses can include any course with a <b>H</b> designation, any course with an <b>E</b> designation, or any 5000-level course not required for the major taken within the first three years of the degree program. Students also have departmental choices (use this link). <a href="#">Approved Departmental Upper Level Courses for Honors Students.pdf</a></p>
