

## 2022 DISTINGUISHED SENIOR

I paid my own way entirely through college and worked several jobs over the course of my undergraduate career.

I was a student assistant at the Nationwide and Ohio Farm Bureau 4-H Center, where I organized programming for Ohio 4-H members.

I performed research examining the effects of the COVID-19 pandemic on Appalachian communities.

“I had so much fun representing Ohio 4-H, CFAES, and first-generation college students as a member of Court this year. From experiencing Homecoming Court traditions to standing in front of over 100,000 screaming fans at the Homecoming Game, I’ll never forget how truly wonderful the entire experience was.”
