

2022 DISTINGUISHED SENIOR

“[As Dairy Club President and Buckeye Sale Chair] I have learned to lean on my network, build new relationships, stand up for the club’s best interests, sell myself and the sale to potential consignors and buyers, resolve conflicts, innovate where needed, and adapt to an ever-changing business environment.”

I held five internships including at Select Sires, where I will work as Genomic Testing Administrator after graduation.

I was on the team that won the 2019 World Dairy Expo’s National Intercollegiate Dairy Judging Contest, OSU’s first win since 1986.

I maintained my own dairy show cattle throughout college and earned a Brown Swiss All-American nomination.
