

2022 DISTINGUISHED SENIOR

I competed in Dairy Challenge competitions at both state and regional levels through the CFAES Animal Sciences Dairy Science Certificate Program.

I am a first-generation college student and I was inducted into the SPHINX Honorary, Bucket and Dipper, ROMOPHOS, and Alpha Lambda Delta.

I interned at Dairy Farmers of America, the nation's largest dairy cooperative, at their Eastern Laboratory Services in Medina, Ohio.

“[The Animal Science Community Alliance] has allowed me to put my time and effort back into my community, my department, my college, and the university as a whole and I am beyond thankful for the opportunity to build something meaningful.”
