

2022 DISTINGUISHED SENIOR

I managed the OSU Swine Center, where I was responsible for daily operations from feeding to breeding swine, hiring and training staff, and more.

I was a member of Pre-Veterinary Medical Association Club, a CFAES Peer Mentor, and Secretary and Coach of OSU's Boxing Club.

I interned at AMVC AGT Boar Stud in Brayton, Iowa where I presented my research findings to company management.

“It is so fulfilling to be able to have a positive impact on others by educating them about my passion, allowing them to get hands-on experience, and them along with myself becoming one step closer to accomplishing our future career goals.”
