**Restrictions and General Information**

- The minor is not available to students majoring in Environmental Science, Natural Resource Management or Forestry, Fisheries and Wildlife. Students majoring in Environmental Policy & Decision Making (EPDM) cannot choose the Forestry Focus. Students majoring in EPDM or Environment, Economy, Development and Sustainability must pick additional courses from the controlled electives to replace any core course work that overlaps with their major.
- A maximum of 6 approved study abroad credits (ENR 5797 or a related study abroad experience as approved by an ENR advisor) may be used toward the minor unless specified otherwise.
- A minimum 2.00 cumulative point-hour ratio is required in the minor course work; and a minimum grade of a C- is required for each course used to complete the minor.
- A minor should be declared at the time a student accumulates 60 hours.
- A student is permitted to overlap up to 6 credit hours between the GE and the minor.
- The minor must contain a minimum of 12 credit hours distinct from the major and/or additional minors (i.e. if a minor requires more than 12 credit hours, a student is permitted to overlap those hours beyond 12 with a major or with another minor).
- The minor must include at least 6 hours of upper-level or upper-division course work (3000 or above).
- Course work graded Pass/Non-Pass cannot count in the minor, and no more than 3 credit hours of course work graded Satisfactory/Unsatisfactory may count toward the minor.
- A student is permitted to count up to 6 total hours of transfer credit and/or credit by examination.
- No more than 3 credit hours of xx93 may count toward the minor.
