

An interdisciplinary minor which is a joint effort of the colleges of Arts and Sciences; Education and Human Ecology; Food, Agricultural, and Environmental Sciences; and Social Work

Purpose: This interdisciplinary minor is designed to provide students with knowledge and skills about youth development principles, processes, and practices. Students with career interests in youth services and education (non-formal and formal) are ideal candidates. This minor will prepare students for careers in schools and out-of-school organizations such as Boys and Girls Clubs, YMCAs, FFA, 4-H, and various youth sport organizations and through other employers such as city governments, parks, recreation centers, and after-school programs. The Youth Development minor would also be valuable for students pursuing careers serving youth populations, from hospitals to residential treatment centers.

Requirements and Responsibilities: This minor is appropriate for students in all majors at The Ohio State University. All course prerequisites must be met. *HDFS 2400* (Lifespan Human Development) or *Psych 3340* (Lifespan Developmental Psychology) are recommended to take for foundational purposes. A minor consists of a minimum of 16 credit hours.
